47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I like Sonic. Provides good value and quality service. I run small real estate business and I find them reliable and affordable. WiFi and cable direct connectivity works. I used dsl and cable before and now I have fiber connection that has brough competition to my tv channel choices and reduced my overall cost as compared to Comcast by more than 50%.
